NEVER TOO SMALL

I love how God's relationship with us is that of a loving Father. I love how He's interested in all the details of our lives. He wants to know the good and the bad. He wants to know how we're feeling. "Nothing that in any way concerns our peace is too small for Him to notice" SC 100.

God is not a sadist that pulls the wings off flies. He didn't create us to make us miserable. In fact, quite the opposite. He created us to be happy and flourish, because He knows that is when we are at our most creative and sharpest. So, like a loving Father, if there is anything we need to grow and reach our potential, God will provide it.

God made an axe head float. He gave Elijah food and sleep. He helped Peter with his temple tax. He provided Israel with a pillar of fire, a pillar of cloud, and shoes that never wore out. He left Rahab's house standing, and freed Peter from prison. And He will do the same for us. There is nothing too small; if it's causing us concern, then it's on God's radar. All we have to do is ask, talk, share, depend, believe, and be the innocent trusting child to His loving Father.

"Are not five sparrows sold for two pennies? Yet not one of them is forgotten in God's sight. But even the hairs of your head are all counted. Do not be afraid; you are of more value than many sparrows." Luke 12:6-7.
