CREATIVE SOLUTIONS

Are you creative? I like to kid myself that I'm creative, and I like hanging out with creative people. Creative people have interesting ideas, elegant solutions, and bring beauty to otherwise pedestrian situations.

Sometimes however, life has a way of enshrouding us in darkness so that creativity shrivels, hope is lost, and we cannot see our way forward. At such times we must remember that "our heavenly Father has a thousand ways to provide for us of which we know nothing. Those who accept the one principle of making the service of God supreme, will find perplexities vanish and a plain path before their feet" MH 481.

How wonderful it is that our God is clever, creative, and all-powerful! When we have no solutions, He has a thousand. When we can think of only one, He has ten thousand. What a relief! Knowing that we rest in the bosom of the Lord brings a joy and peace this world cannot understand.

But remember, this kind of peace only comes when we "make the service of God supreme." If we fret and fear, chances are we are trying to serve two masters: God and ourselves. But this will never do. Our natural compass always points us longingly back to the darkness of sin, our Egypt from which we were delivered. But if we keep our eyes on Jesus, and make Him first in all things, we shall laugh and praise God for His many 'miraculous' solutions. Take His hand today and never look back...

"In all your ways acknowledge Him, and He will make straight your paths."
Proverbs 3:6.
