CHRIST IS ALL

In this world of sin, do you ever have times when the way forward seems dark and shrouded in mystery? Maybe we have taken our eyes off the Lord. Do you ever feel your life is like that of Sisyphus, an interminable punishment rather than a delight? Maybe Jesus has dropped from our focus. Has it been such a long time since you felt at peace that you now think anxiety is normal? Maybe you have been turned around and are no longer pointed toward Jesus. And when you think of God, church, and salvation, do you lack assurance about your future despite His many promises? Maybe you are giving too much credence to the voices of the world and are no longer focusing on the Master's voice.

At the risk of sounding too simplistic, all these problems have the same solution. Make Jesus the all-consuming passion and focus of your life, and do not take your eyes off Him for a second. Every morning and every day "... ever keep Christ in view... Jesus is your light and life and peace and assurance forever" FLB 248.

The Bible is constantly reminding us to focus on Jesus. In the wilderness with the bronze serpent He taught them to "look and live." He taught His disciples that if "He be lifted up, will draw all men to Himself." And He admonished His disciples, "do not get between Me and the children – let them come."

When Christ fills our vision, our hearts will sing, our worries will melt away, and our lives will have purpose. So close your eyes to the world, and fill your mind with our Saviour who is altogether lovely!

"Turn to Me and be saved, all the ends of the earth! For I am God, and there is no other." Isaiah 45:22.
