THOUGHT OF THE WEEK

By now, many of us have heard about the five love languages. There are ‘words of affirmation’ for those who like to receive meaningful cards in the mail. There are ‘acts of service’ for those who aren’t good with words but can vacuum. There is ‘gift giving’ for those who like to surprise loved ones with thoughtful gifts. There is ‘physical touch’ for those who love a hug. Then there is ‘quality time’ for those who just like to hang out together. No doubt you’ll recognise one or two of these as your preferred love language.

But what is God’s love language? I doubt heaven needs a vacuum, and I don’t think He needs new cufflinks. No surprise then that God’s love language is all of these and probably some we don’t even know about! So what’s the best way to show God love? Well, “a heart of faith and love is dearer to God than the most costly gift” DA 615.

With a heart of faith and love we will literally ache to spend more time with Him in prayer, meditation, and study. With a heart of faith and love we will please Him by re-gifting what He gives us and sharing it with others. With a heart of faith and love we will serve Him by serving the poor and downtrodden. With a heart of faith and love we will show Him our affection by touching the untouchables. With a heart of faith and love we will brag on Jesus to everyone we meet. In fact, with a heart of faith and love, our very lives will be a love letter to Jesus, just as His life was to us.

This week, may you feel loved and have fun finding new ways to love God back.

“Jesus answered him, “If anyone loves Me, he will keep My word, and My Father will love him, and We will come to him and make Our home with him.” John 14:23.
