ARE YOU SAFE?

Would you, right now, go for a stroll around Gaza?

Would you meander through Mexico with cash hanging out of your pockets?

Would you walk in the wilds of the Congo unescorted and unarmed?

Would you holiday by the pool in sunny Sudan?

If you answered “no” to any of these questions: Why not? Because it would be life-threateningly dangerous, and because you’re not stupid – right?

But did you know that right now you may be living just as dangerously and being just as ignorant? Think... have you prayed today? Have you prayed in the last hour? If not, then you are walking an active battlefield, simpleminded and unprotected. “No man (or woman) is safe for a day or an hour without prayer” GC 530. The Bible tells us that the devil and his minions prowl this earth like hungry lions seeking to destroy us. So why would we not take precautions?

Through prayer God leaves His phoneline to us permanently open so He can hear even our faintest sigh. God longs to talk with us, often and in detail. It is through prayer that God can...

- Correct our wrong thinking,
- Warn us of temptations,
- Teach us about the devil’s tactics,
- Arm us for spiritual battle,
- Forgive our past and show us our possible future,
- Comfort and encourage us,
- Show us ways of escape,
- Tell us we are loved, we belong, and that we are important to Him.

Who wouldn’t want all of that?! So, bow your head and say a little prayer right now...

“Rejoice always, pray continually.” 1 Thessalonians 5:16-17.
