Epping Church!

Our next live stream will be this Sabbath at 11am, see below for the links.

Last week we learnt how God heard Elijah's prayer and raised to life the widow's son. God will always give the best answer to our prayers. "The Lord cares for those who trust in Him" Nahum 1:7 NIV

Last Sabbath

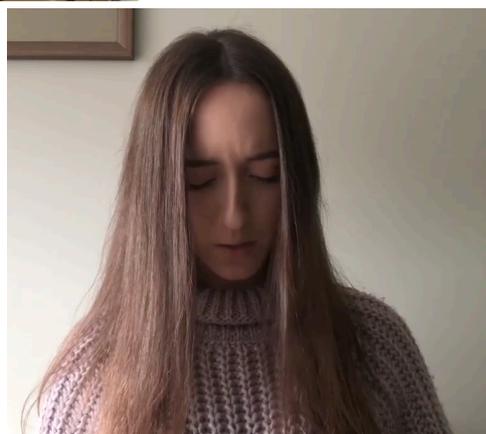

We had Pr Simon Gigliotti, GSC Youth Director spoke about what sort of leaders and we building up within the church? Talking about the building of the next generation of the church. He relates how God challenges Joshua lead the Israelites into the promise land

Epping SDA Church is going through a 'Growing together journey' - learning how to get the older generation to empower younger generations.

He gave us three tips.

1. Give out opportunities to the young ones.
2. Teach the next generation to sweat the small stuff - those who can learn with the small stuff, will be able to handle the bigger challenges.
3. Show the next generation the power of Jesus

What kind of generation are building as a church, what kind of leaders are we influencing?

Blacktown ADRA

My dear church family,

I hope you are all well and enjoying this lovely spring weather we've been having!

Time marches on (only 4 months till Christmas), and for many the struggles of life never get any easier. Time to take some more food over to Blacktown ADRA! Sorry for the short notice, but I will be at Epping Church this Sabbath (29th) from 2-2:30 pm if you'd like to drop off any groceries to contribute to help the needy. When you do your shopping today or tomorrow, grab a few extra things, show some love, and brighten someone's day!

May God's hand of blessing hug you all

Pastor Nigel's
Thought of the Week

Dr Love

One of the joys in my line of work is that I get to meet all kinds of people. I meet people who are well educated but have no common sense. People that are uneducated but are street smart. People that are financially inept but spiritually savvy. I know double doctorates that I would not pay two cents to talk to, but humble farmers that I would pay good money just to sit and listen to. I have learnt that you can't judge a book by its cover, and that every single person is smarter than me in something, and in that way, they are my teacher and I can learn from them.

I feel for the young people of this generation. Struggling to get the best education possible, unaware that book smarts taught in school is just one of many intelligences. There is also emotional intelligence, financial intelligence, interpersonal intelligence, naturalistic intelligence, intrapersonal intelligence, musical intelligence, visual-spatial intelligence, linguistic intelligence, bodily-kinesthetic intelligence, and of course spiritual intelligence.

Are you proud of what you have been able to achieve in the world of education? Are you proud of the person you have become? Is God proud of the person you are becoming? Three vastly different questions. Truth is, "the very best credentials we can carry is love for one another" 5BC 1099. If you have a loving heart and can love the unlovely, then you are a warrior and giant in heaven's eyes.

We spend a third of our day sleeping, and a third working for money. We spend time reading books and honing our skills for work. But, how much time do we put into learning, practicing, and growing a loving heart – a skill we need for eternity?

"And God gave us this command: Whoever loves God must also love his brother" 1 John 4:21.

PHYSICAL CHURCH UPDATE!!

Dear Church Family,

This year has been a year like no other. I think if we could send it back and ask for a refund, many of us would. Currently, COVID-19 restrictions are easing in some places and getting tighter in others. I know many of you are wondering when we will be able to go back to church, so I just wanted to drop you a line and let you know what's likely to happen.

The Church Board has discussed reopening the church at great length. There is no one perfect solution or way of doing it, so this is what we have settled upon... We will continue with the current live-streaming regime until the government relaxes the restrictions to one person per two square meters. When this happens however, even with one person per two square meters, our church is still not large enough to hold us all. Therefore, we will split the church into two groups and take it week about coming to church. On the other weeks you can watch the live-stream (which will continue) from home as you are currently doing. Of course, there will be safety protocols we will all need to abide by at church to keep everyone safe and healthy. The group lists and safety protocols will be shared with you closer to the re-opening date.

Thank you for your patience and faithfulness. I look forward to seeing you all soon. In the meantime, if you have any questions or concerns, please feel free to request my number for a chat.

God bless and keep smiling!

Pr. Nigel

Church Renovations

Hi Epping Church,

Thanks to all who helped out at our Working Bee today. We got a lot of work done this afternoon! Unfortunately we have a serious problem with the church sanctuary floor boards with some major holes and damage. Not surprising considering the age of the church, now 72 years old. I'm glad we have identified them now prior to someone potentially having an injury from the damage. This will require significant renovating and recarpeting.

So far we have put the church chairs in the hall and removed the carpet of the church sanctuary and removed some of the underlay with skirting boards. I've attached some photos for you. We have formed a Building Committee (Henry, Cyrus and Michael Ing) to advise the board and church on the next steps to fix this issue. We have a good opportunity whilst the church is empty because of Covid, to act on this without excessive disruption. Feel free to talk to the committee if you have any ideas on improving things eg stage set up, audiovisual requirements, colour of the carpet etc

The funds required will likely be in the order of \$50,000+ and so we would appreciate the church members financial support and being generous with any donations they care to give. We will keep you up to date with things as they progress

Blessings

Rod
